Deutsch:

Seit 2019 verbinden The Gladly Beyond Einflüsse aus Indie-Rock, Post-Punk, New Wave und Power-Pop zu einem einzigartigen Stilmix.

Torges unverwechselbare Stimme und sein kraftvolles und doch gefühlvolles Gitarrenspiel werden durch Maltes treibende Basslinien und Julians rockige Schlagzeugbeats ergänzt.

Neben Melodien mit Wiedererkennungswert sprechen die intensiven Texte persönliche und gesellschaftliche Herausforderungen an und laden zum Nachdenken ein.
