Tobi Morares debut EP „Viper Room“ consists 6 magnificent tracks! During the producing process he was inspired by different kinds of genres like dubstep, electro, breakbeat and oldschool jungle! The opener „Push it“ starts with a catchy housebeat and ends in dubstep hellfire!

„Dont Work“ is a homage to the good old raves of the 90ies! „Airwave“ and „Rub a Dub“ are fresh overload and heavy playful dubstep tunes for the dancefloor! When you listen to „Guerilla Disco“ you hear a lot of oldschool jungle elements which sounds very fresh again!

In 1996 Tobi Morare found his passion for jungle/breakbeat music and deepened it while he was on a trip through the clubscene in Amsterdam! The track „Amsterdam96“ is the memory of such good old times!

So „Don't Work“ have a drink and waste your time to get ready for the blast!

Since 1993 Tobi Morare is playing drums/synthesizer in several Bands. In the years 2002-2008 he was the drummer of the Band „Revolt“. Together they released an album and a EP at Vertigo Berlin (Universal Music) and played support-gigs/tours for such well known artists like Velvet Revolver, The Subways, The Libertines, Blackmail and others.

In 2008 he formed the electro Band „Treibler“ together with Acid Kinski. Their single „Breaking Sky“ appeared in 2011 on Audiolith Records. Furthermore they released several remixes for artists like Zoot Woman, Ira Atari, Saalschutz, Supershirt, Mediengruppe Telekommander etc.
