### redirect:

redirect  
we direct  
the consciousness  
internal external  
existence  
from the sky... another galaxy  
a bright light appears  
speaking in numbers  
geometric designs  
inner life  
introspection... private thought..  
imagination  
awareness of ...awareness  
programs simulate  
embody consciousness  
your mind to redirect  
from inside  
to the stars ....our final journey  
lights from the himmel  
written in the fields  
descend from above  
small lights crisscross  
signs all around... speaking in numbers  
dimensions of genetic  
geometric designs  
knowledge in a simulation  
from the sky.. pyramids turning  
three lights entering our airspace  
spinning with no direction  
the ancients are back !  
with new message for you  
there is much pain... but there is still time  
we despise deception  
time travel... another galaxy  
369  
speaking in numbers...introspection  
private thought... imagination  
awareness of ...awareness  
we despise deception

### time is evolution:

nam myoho rengo kyo  
plant a seed  
time is evolution  
a realization  
renews itself  
we forgot how to live on the  
earth  
dancing in fantasy ..lost in a  
strobe  
spiritual vacancy ..reality  
as the eagle flies overhead  
we travel to the spiritual world  
we are the same DNA as a tree  
we are from the earth  
climate change is evolution  
cleaning of the planet  
every 26000 years  
time is evolution  
nam myoho rengo kyo  
plant a seed  
time is evolution
