B. Ashra presents his 16th album: „Fluffy Spirals“. 11 exciting songs are waiting for you, ... „Rosetta Is Calling“, the intro song immediately indicates the musical direction, a space-ambient track to take off, followed by „Star Buds“, a minimal electronic dub track to the THC molecule tuned, one of the hits of the album. The track was specially composed for the Cannatrade Messe Zurich for the live act there.

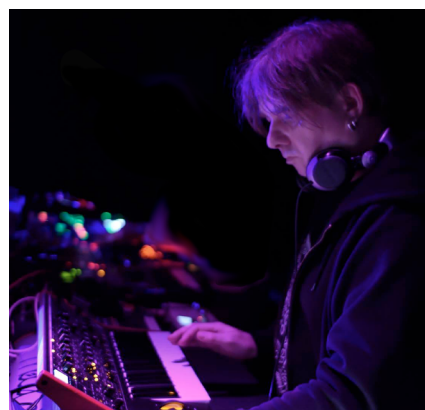

„Black Fairy“ is a minimally technoid 303 song followed by arpeggio-heavy electronic tracks, ... at one of his last concerts, it was not without reason that he was called the *German Jean Michel Jarre*. Play Tips: Open The Door, Black Fairy and Star Buds.
